

That you only hear the music

Fill in the gaps

The Kids From Yesterday by My Chemical Romance

And now (1) could be	when (14) (15) begins to break
The (2) of all the rides we take	Now we are the (16) from yesterday
So (3) on (4) and don't (5)	
back	Today, today
We (6) care about	We are the kids from yesterday
The message or the rules they make	Today, today
We'll find you when the sun goes black	We're young the world stopped breathing
And you want to live forever	Yeah, we left (17) (18) heart
In the lights you make	(19) beating
When we were young we (7) to say	We are the kids (20) yesterday
That you (8) hear the music	Today
When your heart (9) to break	'Cause you wanna live forever
Now we are the kids (10) yesterday	In the (21) you make
	When we (22) young we (23) to say
All the cameras watch the accidents	That you only hear the music
And stars you hate	When your (24) begins to break
They only care if you can bleed	Now we are the kids from yesterday
Does the television	We are the kids from yesterday
Make you feel the (11) you ate?	We are the kids (25) yesterday
Or every person that you (12) to be	We are the (26) from yesterday
'Cause you wanna live forever	Today, today
In the lights you make	
When we (13) young we used to say
