Something That You Said by The Bangles

Everything in a moment (1) where		Never so far you can't call me back	
Something you (2) is (3)	in the	I'm never (14) (15)	a single kiss away
air		And I (16) so real	
Now I know my life is sweetening		And it (17) so right	
Changing everything		Something that you said	
Something that you said		Turned me from the (18)	out
Turned me (4) the inside out		Running through my head	
Running (5) my head		Something I had dreamed about	
Something I have dreamed about		And I feel so real	
And I feel so real		And it feels so right	
And it (6) so right		Something that you said	
Showing you (7) weakness		Turned me from the inside out	
And feeling strong for it		Lying in my bed	
I used to run from real love		Whispering your name out loud	
Now I (8) for it		And I (19) so real	
Now I know (9) I've (10) missing		And it (20) so right	
Since I've been listening		Something (21) you said	
Something that you said		Turned me from the inside out	
Turned me (11) the inside out		Running through my head	
Lying in my bed		Something I had (22)	about
Whispering your name out loud		And it feels so real	
And I (12) so real		And it (23) so right	
And it feels so right		Something that you (24)	
Something (13) you said
