## Haven't Met You Yet by Michael Bublé

I'm not surprised, not everything lasts	I just haven't met you yet
I've broken my heart so many times	They say all's fair
I stopped keeping track	In (5) and war
Talk myself in, I talk myself out	But I won't need to fight it
I get all worked up	We'll get it right and we'll be united
Then I let myself down	And I know that we can be so amazing
I tried so very hard not to lose it	And being in your life is gonna change me
I came up with a (1) excuses	And now I can see every single possibility
I thought, I thought of every possibility	And someday I know it'll all turn out
And I know someday that it'll all turn out	And I'll (6) to work it out
You'll (2) me work	Promise you kid
So we can work to work it out	I'll give more than I get, (7) I get
And I promise you kid	Than I get, than I get
That I give so much more than I get	(Oh) You know it'll all turn out
I just haven't met you yet	And you'll make me work
(Mmmm mm mmm)	So we can work to work it out
I might have to wait	And I promise you kid
I'll never give up	To give so much more than I get
I guess it's half timing	(Yeah) I (8) haven't met you yet
And the other half's luck	I (9) haven't met you yet
Wherever you are, whenever it's right	(Oh) Promise you, kid
You'll come out of nowhere and into my life	To give so much more (10) I get
And I know that we can be so amazing	I said love, love, love
And baby your love is gonna change me	Love, love
And now I can see every single possibility	I just haven't met you yet
(Mmm)	Love, love, love
And I (3) someday that it'll all turn out	Love, love
You'll make me work	I just haven't met you yet
So we can work to work it out	
And I promise you kid
