The Logical Song (Live) by Roger Hodgson

When I was young	A liberal
It seemed that life was so wonderful	(Oh) fanatical, criminal
A miracle	(Oh) won't you sign up (11) name?
(Oh) it was beautiful, magical	We'd like to (12) you're acceptable
And all the (1) in the trees	Respectable
Well, they'd be (2) so happily	(Oh) presentable, a vegetable
(Oh) joyfully	(Whoa) take it, take it, (13) it (yeah)
(Oh) playfully watching me	But at (14) when all the world's asleep
But (3) (4) sent me away	The (15) run so deep
To (5) me how to be sensible	For (16) a simple man
Logical	Won't you please
(Oh) responsible, practical	Please tell me (17) we've learned?
And (6) (7) showed me a world	I (18) it sounds absurd
Where I (8) be so dependable	But please (19) me who I am
(Oh) clinical	Who I am (come one)
(Oh) intellectual, cynical	Who I am
There are times when all the world's asleep	Who I am (yeah)
The questions run too deep	
For (9) a simple man	'Cause I'm feeling so logical
Won't you please	
Please tell me (10) we've learned?	(Oh) it's (20) unbelievable
I know it sounds absurd	
Please tell me who I am	
I say, now watch what you say
