Lucidity by Tame Impala

Fill in the gaps

| I know (1) | you went | | |
|---|---|------------|------------|
| But I don't know how | you got there | | |
| I know where you we | ent | | |
| But I don't know how | you got there | | |
| Silver tongue hill | | | |
| Where you talk up w | hat I'd play down | | |
| I would speak up | | | |
| But I wouldn't know v | what to say | | |
| Lucidity, come back | to me | | |
| Put all (2) | senses (3) | to | |
| Where they're mean | t to be | | |
| (Oh) it's hard to tell, | it breaks down | | |
| There is a will, there | is a way | | |
| Mondoring organd li | ke spare time nev | er knew it | |
| wondering around in | | oo | |
| I might suck fizzle or | | | float away |
| - | 1 (4) | | float away |
| I might suck fizzle or | 1 (4) | | float away |
| I might suck fizzle or And we'll go running | off tonight | _ (5) | float away |
| I might suck fizzle or And we'll go running High above | off tonight | _ (5) | float away |
| I might suck fizzle or And we'll go running High above Where we won't (6) | off tonight need to | _ (5) | float away |
| I might suck fizzle or And we'll go running High above Where we won't (6) | off tonight need to | _ (5) | float away |
| I might suck fizzle or And we'll go running High above Where we won't (6) The sky my love (Oh) there will be a control of the sky my love | off tonight need to change in the air ody else | c reach | float away |
| I might suck fizzle or And we'll go running High above Where we won't (6) The sky my love (Oh) there will be a control of the style of the shoot of | off tonight need to change in the air ody else (8) | c reach | float away |
| I might suck fizzle or And we'll go running High above Where we won't (6). The sky my love (Oh) there will be a control of the sty will be anybore Lucidity, (7) | off tonight off tonight need to change in the air ody else (8) ack to to be | c reach | float away |

Tread boldly right down to the lair...

- 1. where
- 2. five
- 3. back
- 4. might
- 5. just
- 6. even
- 7. come
- 8. back
- 9. meant
- 10. where
