

Fill in the gaps

__ one

Public enemy number one		I'll be on my way	
Jailbait and a smoking gun		There's no time to stay	
You won't (1)	the things I've done	With the enemies I've made	
Every (2)	was just for fun	I'm invincible	
Public enemy (3)	one	You might say despicable	
Stole a car and I'm on the run		Punishments reciprocal	
Through the night to the rising sun		Public enemy number one	
And the (4)	has just begun	I'm unbeatable	
Roses on your grave		My mind's untreatable	
I'll be on my way		Crimes, unrepeatable	
There's no time to stay		Public (7) (8)	
With the enemies I've made		They say that I'm wanted	
I'm invincible		Dead or dead	
You (5) say despicable		Everyone who's tried	
Punishments reciprocal		Got a bullet to their head	
Public enemy number one		I'm invincible	
I'm unbeatable		You might say despicable	
My mind's untreatable		Punishments reciprocal	
Crimes, repeatable		Public (9) number	one
Public enemy (6) one		I'm beatable	
Public enemy number one		My mind's untreatable	
Watch the authorities come undone		Crimes, unrepeatable	
Whit every standoff I've won		Public enemy number one	
Flirting death is just for fun		Public enemy	
Public enemy number one		Public enemy	
Born fugitive father's son		Public enemy	
Another heist of a bank is done		Public enemy	
And the trouble has just beg	gun
