The Unforgiven II by Metallica

Fill in the gaps

Lay (1) me
Tell me what they've done
Speak the words I wanna hear
To make my (2) run
The door is (3) now
But it's open if you're true
If you can understand the me
Then I can understand the you
Lay beside me
Under wicked sky
The black of day
Dark of night
We (4) this paralyze
The door cracks open
•
But there's no sun (5) through
But there's no sun (5) through
But there's no sun (5) through Black heart scarring darker still
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone Behind the door
But there's no sun (5) through Black heart scarring darker still But there's no sun shining through No, there's no sun shining through No, there's no sun shining What I've felt What I've known Turn the pages Turn the stone Behind the door Should I open it for you?

Sick and tired

I stand alone

Could you be there

'Cause I'm the one who waits for you

Or are you unforgiven too?

Come lay beside me

This won't hurt, I swear

She loves me not

She loves me still

But she'll never love again

She lay beside me

But she'll be there when I'm gone

Black heart scarring darker still

Yes, she'll be there when I'm gone

Yes, she'll be there when I'm gone

Dead sure she'll be there

What I've felt

What I've known

Turn the pages

Turn the stone

Behind the door

Should I open it for you?

Yeah

What I've felt

What I've known

Sick and tired

I stand alone

Could you be there

'Cause I'm the one who waits for you

Or are you unforgiven too?

Lay beside me

Tell me what I've done	
The door is closed, so are (6)	eyes
But now I see the sun	
Now I see the sun	
Yes, now I see it	
What I've felt	
What I've known	
Turn the pages	
Turn the stone	
Behind the door	
Should I open it for you?	
Yeah	
What I've felt	
What I've known	
So sick and tired	
I stand alone	
Could you be there	
'Cause I'm the one who waits	
The one who waits for you	
(Oh)	
What I've felt	
What I've known	
Turn the pages	
Turn the stone	
Behind the door	
Should I open it for you?	
So I dub thee unforgiven (oh)	
What I've felt	
(Oh) what I've known	

I (7)_____ this key

And I (8)_

Because you're unforgiven too

Never free

Never me

'Cause you're unforgiven too
