

## Fill in the gaps

Sucker love is neaven sent	Every me and every you
You pucker up, our passion's spent	Every me
My hearts a tart, (1) body's ren	Every me and every you
My body's broken, yours is bent	Every me
Carve (2) name into my arm	Like the naked leads the blind
Instead of stressed, I lie here charmed	I know I'm selfish, I'm unkind
'Cause there's nothing else to do	Sucker (8) I always find
Every me and (3) you	Someone to bruise and leave behind
Sucker love, a box I choose	All alone in space and time
No (4) box I choose to use	There's nothing here but what here's mine
Another love I would abuse	Something borrowed, (9) blue
No circumstances (5) excuse	Every me and every you
In the shape of things to come	Every me and (10) you
Too much poison come undone	Every me
'Cause there's nothing else to do	Every me and every you
Every me and every you	Every me
Every me and every you	Every me and every you
Every me	Every me
Sucker love is known to swing	Every me and every you
Prone to cling and (6) these things	Every me
Pucker up for heavens sake	Every me and every you
There's never been so much at stake	Every me
I serve my head up on a plate	Every me and every you
It's only comfort, (7) late	Every me
'Cause there's nothing else to do	
Every me and every you
