

## Fill in the gaps

Sucker love is heaven sent	Every me and every you
You pucker up, our passion's spent	Every me
My (1) a tart, (2) body's ren	Every me and (16) you
My body's broken, yours is bent	Every me
Carve your name into my arm	Like the naked leads the blind
Instead of stressed, I lie (3) charmed	I know I'm selfish, I'm unkind
'Cause there's (4) else to do	Sucker (17) I always find
Every me and (5) you	Someone to (18) and (19)
Sucker love, a box I choose	behind
No (6) box I (7) to use	All alone in space and time
Another love I would abuse	There's nothing here but (20) here's mine
No circumstances could excuse	Something borrowed, something blue
In the (8) of things to come	Every me and every you
Too much (9) come undone	Every me and every you
'Cause there's (10) to do	Every me
Every me and (12) you	Every me and every you
Every me and every you	Every me
Every me	Every me and (21) you
Sucker love is known to swing	Every me
Prone to cling and waste (13) things	Every me and (22) you
Pucker up for heavens sake	Every me
There's never been so much at stake	Every me and every you
I serve my (14) up on a plate	Every me
It's only comfort, calling late	Every me and every you
'Cause there's (15) else to do	Every me
Every me and every you
