

Fill in the gaps

n the suburbs I		Sometimes I can't believe it	
arned to drive		I'm moving past the feeling, into the night	
And you told me we'd never survive		So can you understand	
Grab your mother's keys, we are leaving		Why I want a daughter (8)	I'm still young?
You always seemed so sure		I want to hold her hand	
That one day we'd be fighting		And show her some beauty before	
n a suburban war		All this damage is done	
Your (1) of (2) against me		But if it's too much to ask, if it's too (9)_	to ask
saw you standing on the opposite shore		Then send me a son	
But by the time the first bombs fell		Under the overpass	
We were already bored		In the parking lot we're still waiting	
We (3) already, already bored		It's already past	
Sometimes I can't believe it		So move your feet from hot pavement	
'm moving past the feeling		And (10) the grass	
Sometimes I can't believe it		'Cause it's already past	
'm moving (4) the (5)	again	It's already, already past	
The (6) want to be so hard		Sometimes I can't believe it	
But in my dreams we're still screaming		I'm moving past the feeling	
And running through the yard		Sometimes I can't believe it	
When all of the walls that (7) built		I'm moving past the feeling again	
n the 70's finally fall		I'm moving past the feeling	
And all of the houses they built		I'm moving past the feeling	
n the 70's finally fall		In my dreams we're still screaming	
Meant nothing at all?		We're still screaming	
t meant nothing at all, it meant nothing		We're still screaming	
Sometimes I can't believe it			
'm moving past the feeling
