

Fill in the gaps

	There I am, up on the stage
On a (1) and lonesome highway	Here I go, ah playin' star again
East of Omaha	There I go, (17) the page
You can (2) to the engines	(Woah)
Moanin' out it's one old song	Out there in the spotlight
You can think (3) the woman	You're a (18) miles away
Or the (4) you knew the (5) before	Every ounce of energy
But (6) thoughts will soon be wanderin'	You try and give away
The way they always do	As the (19) pours out your body
When you're ridin' 16 hours	Like the music (20) you play
And there's nothin' (7) to do	Later in the evenin'
And you don't feel much like ridin'	As you lie awake in bed
You just (8) the trip was through	With the echoes of the amplifiers
Here I am, on the road again	Ringin' in your head
There I am, up on the stage	You smoke the day's (21) cigarette
There I go, playin' star again	Rememberin' what she said
There I go, (9) the page	(What she said)
So you walk into this restaurant	
Strung out from the road	Yeah, and (22) I am
And you feel the (10) upon you	On the road again
As you're shakin' off the cold	There I am, up on that stage
You pretend it doesn't bother you	Here I go, playin' star again
But you (11) want to explode	There I go, turn the page
Yeah, most times you can't hear 'em talk	And there I go, turn that page
Other times you can	There I go, oh
All the (12) old (cliché's)	There I go
ls it woman, is it man	(And I'm gone)
And you (13) (14) outnumbered	
You don't dare make a stand	
Make (15) stand	
But here I am, on the (16) again
