

Fill in the gaps

One more (1) could be the best thing	I'm torn between this life I (15) and where I stand
Or one more lie (2) be the worst	You (16) me but you don't know who I am
And all (3) thoughts are never resting	So let me go, just let me go
And you're not something I deserve	Let me go
In my head there's only you now	And no matter how (17) I try
This world falls on me	I can't escape these things inside
In this world there's real and (4) believe	I know, I know
This seems real to me	But all the pieces fall apart
You love me but you don't (5) who I am	You will be the (18) one who knows, who knows
I'm torn (6) this life I lead and	You love me but you don't know who I am
(7) I stand	I'm torn (19) this (20)
You love me but you don't (8) who I am	(21) and where I stand
So let me go	And you (22) me but you don't know who I am
Let me go	So let me go, just let me go
I (9) we head to (10) I hope for	You (23) me but you don't
And I turn my (11) on loving you	You love me but you don't
How can this (12) be a good thing	You (24) me but you don't know who I am
And I know what I'm going through	You (25) me but you don't
In my head there's (13) you now	You love me but you don't
This world falls on me	You love me but you don't know me
In (14) world there's real and make believe	
And this seems real to me	
And you love me, but you don't know who I am
