

Fill in the gaps

One more (1) could be the best thing	I'm torn between this life I lead and (7) I stand
Or one more lie could be the worst	You love me but you don't know who I am
And all these thoughts are never resting	So let me go, just let me go
And you're not something I deserve	Let me go
In my (2) there's only you now	And no matter how hard I try
This world falls on me	I can't escape these things inside
In this world there's real and make believe	I know, I know
This seems real to me	But all the pieces fall apart
You love me but you don't know who I am	You will be the only one who knows, who knows
I'm torn between this (3) I lead and where I stand	You love me but you don't know who I am
You love me but you don't (4) who I am	I'm torn between this (8) I lead and
So let me go	(9) I stand
Let me go	And you love me but you don't know who I am
I dream we head to what I hope for	So let me go, just let me go
And I turn my back on (5) you	You love me but you don't
How can this love be a good thing	You love me but you don't
And I know what I'm (6) through	You love me but you don't know who I am
In my head there's only you now	You love me but you don't
This world falls on me	You love me but you don't
In this world there's real and make believe	You love me but you don't know me
And this seems real to me	
And you love me, but you don't know who I am
