I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)
Well I'm not a vampire	Daddy should've never raised me on Black Sabbath!
But I feel like one	I'm insane
Sometimes I (1) all day	Well, I can feel it in my bones
Because I (2) the sunlight	Coursing (16) my veins
My hands are always shaking	When did I become so cold?
Body's (3) aching	For goodness sake
And the dark is (4) I feed	Where is my self control?
Well I can lure any woman (5) I (6) to	If (17) is (18) my heart is
In my bed with me	Then my heart has lost all hope
And whiskey (7) to be my (8) water	God bless all of you now
Mothers better lock your doors	'Cause I'm (19) to hell
And (9) your daughters	And I'm (21) you (22) with me
I'm insane	'Cause you know damn well
Well, I can feel it in my bones	I'm insane
Coursing through my veins	Well, I can feel it in my bones
When did I become so cold?	Coursing through my veins
For goodness sake	When did I become so cold?
Where is my self-control?	I'm insane
If home is where my (10) is	Well, I can (23) it in my bones
Then my (11) has lost all hope	Coursing through my veins
Well I'm not a zombie	When did I (24) so cold?
But I feel (12) one today	For goodness sake
Self-induced comatose, chemical daze	Where is my self control?
My head is (13) spinning	If home is where my (25) is
From this dizzy, blurry vision	Then my heart has lost all hope
And my stomach has had enough	All hope
I (14) like a lady	All hope
That is (15) with a baby	
'Cause I'm always throwing up	
Hi, my name is Ronnie
