Rebel Love Song by Black Veil Brides

| I feel it burning deep inside | Hearts will sacrifice it's do or die |
|----------------------------------------|---------------------------------------|
| A passion crime to take what's mine | This is a rebel love song |
| Let us start living for today | Wild and running for one reason |
| Never gonna' change my mind | They can't stop us from our freedom |
| We can leave it all behind | (Wild and (4) for one reason) |
| Nothin's gonna' stop us | (They can't stop us from our freedom) |
| No not this time | Never gonna' change my mind |
| So take your hand in mine | We can leave it all behind |
| It's ours tonight | Nothin's gonna' stop us |
| This is a rebel love song | No not this time |
| Hearts will sacrifice it's do or die | So (5) your hand in mine |
| This is a rebel love song | It's ours tonight |
| My outlaw eyes have seen their lies | This is a rebel love song |
| I (1) on all they had to say | Hearts will sacrifice it's do or die |
| When worlds collide what's left inside | This is a rebel love song |
| I (2) on (3) and hear you pray | So take your hand in mine |
| Never gonna' change my mind | It's (6) tonight |
