It's ours tonight

Fill in the gaps

Rebel Love Song by Black Veil Brides

I cannot hide what's on my mind	This is a rebel love song
I feel it burning deep inside	Hearts will sacrifice it's do or die
A passion crime to take what's mine	This is a rebel love song
Let us start living for today	Wild and (4) for one reason
Never gonna' change my mind	They can't stop us from our freedom
We can (1) it all behind	(Wild and running for one reason)
Nothin's gonna' stop us	(They can't stop us from our freedom)
No not this time	Never gonna' change my mind
So (2) your hand in mine	We can leave it all behind
It's ours tonight	Nothin's gonna' stop us
This is a (3) love song	No not this time
Hearts will sacrifice it's do or die	So take (5) hand in mine
This is a rebel love song	It's ours tonight
My outlaw eyes have seen their lies	This is a rebel (6) song
I choke on all they had to say	Hearts will sacrifice it's do or die
When worlds collide what's left inside	This is a rebel love song
I hold on tight and hear you pray	So take your hand in mine
Never gonna' change my mind	It's (7) tonight
We can leave it all behind	This is a rebel love song
Nothin's gonna' stop us	Hearts (8) sacrifice it's do or die
No not this time	This is a rebel love song
So take your hand in mine
