

## Fill in the gaps

### Spectrum (Say My Name) by Florence + The Machine

When we first came here

We (1)\_\_\_\_\_ (2)\_\_\_\_\_ and we (3)\_\_\_\_\_ clear

With no colours on our skin

We were light and paper thin

And (4)\_\_\_\_\_ we first came here

We were cold and we were clear

With no colours on our skin

Till we let the spectrum in

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

And when we come for you

We'll be dressed up all in blue

With the ocean in our arms

Kiss your (5)\_\_\_\_\_ and kiss your palms

And when it's (6)\_\_\_\_\_ to pray

We'll be dressed up all in grey

With metal on our tongues and silver in our lungs

Say my name

And every (7)\_\_\_\_\_ illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will (8)\_\_\_\_\_ be afraid again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

And we are shining

And we will never be afraid again

Say my name

As (9)\_\_\_\_\_ color illuminates

Say my name

As every color illuminates

We are shining

And we will never be afraid again

Say my name

As (10)\_\_\_\_\_ color illuminates

We are shining

And we will never be afraid again

Say my name
