Say my name (1) it's the last time
Live today like its your last night
We want to cry but we know its alright
Cause I'm with you and you're with me
Butterflies, butterflies
We were meant to fly
You and I, you and I, colors in the sky
We could rule the world someday, somehow
But we'll never be as bright as we are now
We're standing in a light that won't fade
Tomorrow's coming but this won't change
Cause some (2) stay gold forever
The memory of being here with you
Is one I'm gonna take my life through
Cause some days stay gold forever
Promise me you'll stay the way you are
Keep the fire alive and (3) young at heart
When the storm feels like it could blow you out
Remember, you got me and I got you
Cause we are butterflies, butterflies
We were meant to fly
You and I, you and I Colors in the sky
When the innocence is (4) and gone
These will be the times we look back on
