

The rush, too much

Fill in the gaps

You're in control	And (8) it comes
Pressing "pause" on my heartbeat	When your lips touch mine
Someone stole all the air	It's the kiss of life
So I can't (1) now	I know
I know the (2) is on	I know that it's a little bit frightening
I (3) as though	We might as well be playing
My time has come	With lightning
How many times do I fly	We (9) like
Through your (4) space	Like it's our first time
Now we're speeding away	(Oh oh)
From a safe place	I know it's a little bit frightening
Yeah your skin	We might as well be playing
The touch, the kiss	With lightning now
The rush, too much	(Oh oh)
And here it comes	(Oh oh)
When your lips touch mine	(Oh oh)
It's the kiss of life	(Oh oh)
I know	Your skin, the touch
I (5) that it's a little bit frightening	Then kiss, too much
We (6) as well be playing	Your skin, the touch
With lightning	Then kiss, the rush
We touch like	Your skin, the touch
Like it's our (7) time	Then kiss, too much
(Oh oh)	The rush, the rush
I know that it is a little bit frightening	The rush, the rush
We might as well be playing	When your lips touch mine
With lightning now	It's the kiss of life
(Oh oh)	I know
(Oh oh)	I know that it's a (10) bit frightening
Just you and me	We might as well be playing
And the coats in the bathroom	With lightning
Learning things they don't	We touch like
Teach in the classroom	Like it's our first time
Now, your here	(Oh oh)
I feel the fear	I know it's a little bit frightening
Where everything	We might as well be playing
Is all so clear	With lightning now
I've been addicted to you	(Oh oh)
Since the first hit	(Oh oh)
Out of control like a surge of electric	
Yeah, your skin
