

Fill in the gaps

You're in control		And (21) it comes	
Pressing "pause" on my heartbeat		When your lips touch mine	
Someone (1)	all the air	It's the kiss of life	
So I can't (2)	now	I know	
I know the chase is on		I know that it's a (22)	_ bit frightening
I feel as though		We might as well be playing	
My (3) has come		With lightning	
How (4) times do I fly		We touch like	
Through your (5) space		Like it's our first time	
Now we're speeding away		(Oh oh)	
From a (6) place		I know it's a little bit frightening	
Yeah (7) skin		We might as well be playing	
The touch, the kiss		With lightning now	
The rush, too much		(Oh oh)	
And (8) it comes		(Oh oh)	
When your lips (9) mine		(Oh oh)	
It's the (10) of life		(Oh oh)	
know		Your skin, the touch	
I (11) that it's a little bit frightening		Then kiss, too much	
We might as (12) be playing		Your skin, the touch	
With lightning		Then kiss, the rush	
We (13) like		Your skin, the touch	
Like it's our first time		Then kiss, too much	
(Oh oh)		The rush, the rush	
I (14) (15) it is a little bit frightening	The rush, the rush	
We (16) as well be playing		When your lips touch mine	
With lightning now		It's the kiss of life	
(Oh oh)		I know	
(Oh oh)		I know that it's a little bit frightening	
Just you and me		We might as well be playing	
And the coats in the bathroom		With lightning	
Learning (17) (18) don't		We touch like	
Teach in the classroom		Like it's our (23) time	
Now, your here		(Oh oh)	
I feel the fear		I know it's a little bit frightening	
Where everything		We might as well be playing	
Is all so clear		With lightning now	
I've been (19)	to you	(Oh oh)	
Since the first hit		(Oh oh)	
Out of control (20) a surge of electric			
Yeah, your skin			
The touch, The kiss			
The rush, too much
