

Fill in the gaps

The way you move is like a (1) on rainsform	Kiss me on the sidewalk
And I'm a house of cards	Take away the pain
You're the	Cause I see, sparks fly (6) you smill
Kinda reckless that you should send me running	Get me (7) those green eyes, baby
But I kinda know that I won't get far	As the lights go down
And you stood there in front of me just	Give me something that'll haunt me
Close (2) to touch	When you're not around
Close enough to hope you couldn't see	Cause I see, sparks fly whenever you smile
What I was thinking of	I'll run my finger through your hair
Drop everything now	And watch the lights go wild
Meet me in the pouring rain	Just keep on keeping your eyes on me
Kiss me on the sidewalk	It's (8) wrong enough to make it feel right
Take away the pain	Lead me up staircase
Cause I see, sparks fly	Won't you wishper soft and slow
Whenever you smile	I'm captivated by you baby
Get me with those green eyes, baby	Like a firework show
As the lights go down	Drop everything now
Give me something that'll (3) me	Meet me in the pouring rain
When you're not around	Kiss me on the sidewalk
Cause I see, sparks fly whenever you smile	Take away the pain cause
My mind forgets to remind me	I see sparks fly whenever you smile
You're a bad idea	Get me with those green eyes, baby
You touch me once and it's (4) something	As the lights go down
You find I'm ever better than you	Give me something that'll (9) me
Imagined I would be	When you're not around
I'm on my guard for the rest of the world	Cause I see, sparks fly whenever you smile
But with you I know it's no good	When sparks fly, Oh baby smile
And I (5) wait patiently but I really wish you	When sparks fly
would	
Drop everything now	
Meet me in the pouring rain
