

## Fill in the gaps

(Uno, dos, tres, catorce)	Swinging to the music
	Swinging to the music
Lights go down, it's dark	(Oh oh oh oh)
The jungle is your head	Hello, (7) (hola)
Can't rule your heart	I'm at a place called Vertigo (¿dónde está?)
A (1) is so much (2)	It's (8) I wish I didn't know
than	But you give me something
A thought your (3) are wide	I can feel, feel
And though your soul	Check mated
It can't be bought your mind can wander	Hours of fun
Hello, hello (hola)	Check mated
I'm at a place called Vertigo (¿dónde está?)	All of this, all of this can be yours
It's everything I wish I didn't know	All of this, all of this can be yours
Except you give me something	All of this, all of (9) can be yours
I can feel, feel	Just give me what I want and no-one gets hurt
The night is full of holes	Hello, hello (hola)
As bullets rip the sky	We're at a place called Vertigo (¿dónde está?)
Of ink with gold	Lights go down and all I know
They twinkle as the boys	Is that you give me something
Play rock and roll	I can feel your love teaching me how
They know they (4) dance	Your love is teaching me how
At least they know	How to kneel, kneel
I can't (5) the beats	Yeah, yeah, yeah
I'm asking for the cheque	
The girl (6) crimson nails	
Has Jesus round her neck
