

Fill in the gaps

Baby slow down		You (11) right under my door
The end is not as fun as the start		I (12) 'cos I (13) you (14)
Please (1) a child (2) in	1	more
(3) heart		I want the lot of what you got
I'll give you everything you want		And I (15) (16) (17)
Except the thing (4) you want		you're not
You are the first one of your kind		Everywhere you go you shout it
And you feel like no-one before		You don't have to be shy about it, no
You (5) right under my door		And you'll (18) be alone
And I kneel 'cos I want you some more		Come on now show your soul
I want the lot of what you got		You've been (19) your (20)
And I (6) nothing that you're not		under control
Everywhere you go you shout it		Everywhere you go you (21) it
You don't have to be shy (7) it		You don't (22) to be shy (23) it
Some things you shouldn't get too good at		Everywhere you go you shout it
Like smiling, (8) and celebrity		Oh my my
Some people got way too much confidence baby		And you feel like no-one before
Baby		You steal right under my door
I'll give you everything you want		I kneel 'cos I want you some more
Except the thing that you want		I want you some more, I (24) you (25)
You are the first one of (9) kind		more
And you feel (10) no-one before		

1. stay
