

Fill in the gaps

Don't believe what you hear
Don't believe what you see
If you (1) close (2) eyes you can feel
the enemy
When I first met you girl, you had fire in your soul
What happened tyour face of melting snow
Now it looks like this!
And you can swallow or you can spit
You can throw it up, or choke on it
And you can dream, so dream out loud
You know that your time is coming round
So don't let the bastards grind you down
No, nothing makes sense, (3) seems to fit
I know (4) hit out if you only knew who to
hit
And I'd (5) the movement
And I'd (5) the movement If there was one I could believe in
If there was one I could believe in
If there was one I could believe in Yeah, I'd break (6) and wine
If there was one I could believe in Yeah, I'd break (6) and wine If there was a church I could receive in

I can't let you go
And I must be an acrobat
To talk (7) (8) and act (9)
that
And you can dream, so dream out loud
And don't let the bastards (10) you down
What are we going to do now it's all been said?
No new ideas in the house, and every book's been read
And I must be an acrobat
To talk like this and act like that
And you can dream, so dream out loud
And you can find your own way out
And you can build, and I can will
And you can call, I can't wait until
You can stash and you can seize
In dreams begin responsibilities
And I can love, and I can love
And I know that the tide is turning 'round
So don't let the bastards grind you down
