Catch Me (Acoustic) by Demi Lovato

Before I fall too fast	Cause every hello (3) (4) with a
Kiss me quick, but (1) it last	goodbye
So I can see how badly this will hurt me	But you're so hypnotising
When you say goodbye	You've got me laughing while I sing
Keep it sweet, keep it slow	You've got me (5) in my sleep, (yeah)
Let the future pass and don't let go	And I can see this unraveling
But tonight I could fall too soon	Your love is where I'm falling
Into this beautiful moonlight	But please don't catch me
But you're so hypnotising	So now you see why I'm scared
You got me laughing while I sing	I can't open up my (6) a
You got me smiling in my sleep, (yeah)	care
And I can see this unraveling	So here I go, it's what I feel
Your love is where I'm falling	And for the first (8) in my life I (9) it's
But please don't catch me	real
See this heart, won't settle down	But you're so hypnotising
Like a child running (2) from a clown	You've got me laughing while I sing
I'm terrified of what you'll do	You've got me smiling in my sleep, (yeah)
My stomach screams just when I look at you	And I can see this unraveling
Run far away, so I can breath	Your love is (10) I'm falling
Even though your far from suffocating me	But please don't catch me
I can't set my hopes to high	And if this is love, please don't break me
	I'm giving up so just catch me
