

Fill in the gaps

Passion is sweet	In your (13) sleep what
Love makes weak	Are you dreaming of
You said you cherished (1) so	My skin's (14) burning from (15)
You (2) to let it go	touch
Follow your fate	(Oh) I just can't get enough I
Love and hate	Said I wouldn't ask for much
Never fail to seize the day	But your (16) are dangerous so
But dont give yourself away	The (17) (18) spinning in my
(Oh) when the night falls	head
And (3) all alone	Can we drop (19) masquerade
In your (4) sleep what	I can't predict (20) it ends
Are you dreaming of	If your the rock I'll (21) against
My skin's still burning from (5) touch	My soul my heart
(Oh) I (6) can't get enough I	If you're near if you're far
Said I wouldn't ask for much	My life my love
But (7) eyes are dangerous so	You can have it all
The (8) keeps spinning in my head	
Can we drop this masquerade	(Oh) when the (22) falls
I can't predict where it ends	And your all alone
If your the rock I'll crush against	In your deepest sleep what
Trapped in a crowd	Are you (23) of
The (9) is loud	My skin's (24) burning from your touch
I said I love my (10) to	(Oh) I (25) can't get enough I
Now I'm not (11) I do	Said I wouldn't ask for much
All (12) on you	But your eyes are dangerous so
Rings so true	The thought keeps spinning in my head
Better quit while you're ahead	Can we drop this masquerade
Now I'm not so sure I am	I can't predict where it ends
(Oh) when the night falls	If your the rock I'll crush against
And your all alone	(Oh) if your the rock I'll (26) against
