

Fill in the gaps

Passion is sweet	In your deepest (4) what
Love makes weak	Are you dreaming of
You said you cherished freedom so	My skin's still burning (5) your touch
You refuse to let it go	(Oh) I (6) can't get enough I
Follow your fate	Said I wouldn't ask for much
Love and hate	But your eyes are dangerous so
Never fail to seize the day	The thought keeps spinning in my head
But dont give yourself away	Can we drop this masquerade
(Oh) when the night falls	I can't predict where it ends
And your all alone	If your the rock I'll crush against
In your (1) sleep what	My soul my heart
Are you dreaming of	If you're near if you're far
My skin's still burning from your touch	My (7) my love
(Oh) I just can't get enough I	You can have it all
Said I wouldn't ask for much	
But your eyes are dangerous so	(Oh) when the night falls
The thought keeps (2) in my head	And your all alone
Can we drop this masquerade	In your deepest sleep what
I can't predict where it ends	Are you dreaming of
If your the rock I'll crush against	My skin's still burning from your touch
Trapped in a crowd	(Oh) I just can't get (8) I
The music is loud	Said I wouldn't ask for much
I said I love my freedom to	But (9) eyes are dangerous so
Now I'm not sure I do	The thought keeps spinning in my head
All eyes on you	Can we drop this masquerade
Rings so true	I can't predict where it ends
Better quit while you're ahead	If your the rock I'll crush against
Now I'm not so sure I am	(Oh) if your the rock I'll crush against
(Oh) when the (3) falls	
And your all alone
