## Brown Eyes by Destiny's Child

The way we held each others hand

The way we talked the way we laughed

## Fill in the gaps

Remember the first day (1) I saw (2)	It felt so good to fall in love
face	And I knew right then and there you were the one
Remember the first day when you smiled at me	I know that he loves me 'cause he told me so
You stepped to me and then you said to me	I know that he loves me 'cause his feelings show
I was the woman you dreamed about	When he stares at me, you see he cares for me
Remember the first day when you called my house	You see how he is so deep in love
Remember the first day when you took me out	I know that he loves me 'cause it's obvious
We had (3) although we tried to	I know that he loves me 'cause it's me he trusts
hide	And he's (7) me
And we both had a beautiful night	If he's not kissing me
The way we held each others hand	And when he looks at me, his brown eyes tell it so
The way we talked, the way we laughed	I'm so happy
It felt so good to (4) true love	So happy that you're in my life
I knew right then and there you were the one	And baby now that you're a part of me
I know that he loves me 'cause he told me so	You showed me
I know that he loves me 'cause his feelings show	Showed me the true meaning of love
When he stares at me, you see he cares for me	The true meaning of love
You see how he is so deep in love	And I (8) he loves me
I know that he (5) me 'cause it's obvious	I know that he loves me 'cause he told me so
I know that he loves me 'cause it's me he trusts	I know that he loves me 'cause his feelings show
And he's missing me if he's not (6) me	When he stares at me you see he (9) for me
And when he looks at me, his brown eyes tell it so	You see how he is so deep in love
Remember the first day, the first day we kissed	I know that he loves me 'cause it's obvious
Remember the first day we had an argument	I know that he loves me 'cause it's me he trusts
We apologized and then we compromised	And he's missing me if he's not kissing me
And we haven't argued since	And when he looks at me his (10) eyes tell it so
Remember the first day we stopped playing games	He looks at me and his brown eyes tell it so
Remember the first day you fell in love with me	
It felt so good for you to say those words	
'Cause I felt the same way too
