## Brown Eyes by Destiny's Child

The way we talked the way we laughed

## Fill in the gaps

Remember the first day when I saw your face	It felt so good to (8) in love
Remember the (1) day when you smiled at me	And I knew right then and there you w
You stepped to me and then you said to me	I know that he loves me 'cause he told
I was the woman you dreamed about	I know that he loves me 'cause his fee
Remember the first day (2) you called my house	When he stares at me, you see he car
Remember the first day when you took me out	You see how he is so deep in love
We had butterflies although we tried to hide	I know that he loves me 'cause it's obv
And we both had a beautiful night	I know that he loves me 'cause it's me
The way we held each others hand	And he's missing me
The way we talked, the way we laughed	If he's not kissing me
It felt so good to (3) true love	And when he (9) at me,
I knew right then and there you were the one	I'm so happy
I know that he loves me 'cause he told me so	So happy that you're in my life
I know that he (4) me 'cause his feelings show	And baby now that you're a part of me
When he stares at me, you see he cares for me	You showed me
You see how he is so deep in love	Showed me the true meaning of love
I know that he (5) me 'cause it's obvious	The true meaning of love
I know (6) he loves me 'cause it's me he trusts	And I (10) he loves me
And he's missing me if he's not kissing me	I know that he loves me 'cause he told
And when he looks at me, his brown eyes tell it so	I know that he loves me 'cause his fee
Remember the (7) day, the first day we kissed	When he stares at me you see he care
Remember the first day we had an argument	You see how he is so deep in love
We apologized and then we compromised	I know that he loves me 'cause it's obv
And we haven't argued since	I know that he loves me 'cause it's me
Remember the first day we stopped playing games	And he's missing me if he's not kissing
Remember the first day you fell in love with me	And when he looks at me his brown ey
It felt so good for you to say those words	He looks at me and his brown eyes tel
'Cause I felt the same way too	
The way we held each others hand
