Fill in the gaps

And I'd give up forever to touch you
'Cause I know that you feel me somehow
You're the closest to (1) that I'll ever be
And I don't want to go home right now
And all I can taste is (2) moment
And all I can breathe is your life
And sooner or later it's over
I just don't wanna to miss you tonight
And I don't want the world to see me
'Cause I don't think (3) they'd understand
When everything's made to be broken
I (4) want you to know who I am
And you can't fight the tears (5) ain't coming
And you can't light the tears (5) ain't coming
Or the (6) of truth in your lies
Or the (6) of truth in your lies
Or the (6) of truth in your lies When (7) feels like the movies
Or the (6) of truth in your lies When (7) feels like the movies Yeah you bleed just to know you're alive
Or the (6) of truth in your lies When (7) feels like the movies Yeah you bleed just to know you're alive And I don't (8) the world to see me
Or the (6) of truth in your lies When (7) feels like the movies Yeah you bleed just to know you're alive And I don't (8) the world to see me 'Cause I don't think that they'd understand
