## Fill in the gaps

And I'd give up forever to touch you
'Cause I know that you feel me somehow
You're the closest to heaven that I'll (1) be
And I don't want to go (2) right now
And all I can taste is (3) moment
And all I can (4) is your life
And sooner or later it's over
I just don't wanna to miss you tonight
And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am
And you can't fight the tears (5) ain't coming
And you can't light the tears (3) ain't coming
Or the moment of (6) in your lies
Or the moment of (6) in your lies
Or the moment of (6) in your lies  When everything feels like the movies
Or the moment of (6) in your lies  When everything feels like the movies  Yeah you bleed just to know you're alive
Or the moment of (6) in your lies  When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the (7) to see me
Or the moment of (6) in your lies  When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the (7) to see me  'Cause I don't think (8) they'd understand
Or the moment of (6) in your lies  When everything feels like the movies  Yeah you bleed just to know you're alive  And I don't want the (7) to see me  'Cause I don't think (8) they'd understand  When everything's (9) to be broken
