

Because of you

Fill in the gaps

I will not make the same mistakes that you did	I find it hard to (5) not only me, but everyone
I will not let myself	around me
Cause my heart so much misery	Because of you
I will not break the way you did,	I am afraid
You fell so hard	I watched you die
I've learned the (1) way	I heard you cry every night in (6) sleep
To never let it get that far	I was so young
Because of you	You should have known (7) than to lean on
I never stray too far from the sidewalk	me
Because of you	You never thought of anyone else
I learned to play on the safe side so I don't get hurt	You just saw your pain
Because of you	And now I cry in the middle of the night
I (2) it hard to (3) not only me, but	For the same damn thing
everyone (4) me	Because of you
Because of you	I never stray too far from the sidewalk
I am afraid	Because of you
I lose my way	I learned to play on the safe side so I don't get hurt
And it's not too long before you point it out	Because of you
I cannot cry	I try my hardest (8) to forget everything
Because I know that's weakness in your eyes	Because of you
I'm forced to fake	I don't (9) how to let anyone else in
A smile, a laugh everyday of my life	Because of you
My heart can't possibly break	I'm ashamed of my life because it's empty
When it wasn't even whole to start with	Because of you
Because of you	I am afraid
I never stray too far from the sidewalk	Because of you
Because of you	Because of you
I learned to play on the safe side so I don't get hurt
