

Fill in the gaps

I will not make the (1)	mistakes that you did	I find it hard to trust not only me, but (4)
I will not let myself		around me
Cause my heart so much misery		Because of you
I will not break the way you did,		I am afraid
You fell so hard		I watched you die
I've learned the hard way		I heard you cry every night in your sleep
To never let it get that far		I was so young
Because of you		You should have known (5) than to lean on
I never stray too far from the sidewalk		me
Because of you		You never thought of anyone else
I learned to play on the safe side so I don't get hurt		You just saw (6) pain
Because of you		And now I cry in the middle of the night
I find it hard to trust not only me, but everyone around me		For the same damn thing
Because of you		Because of you
I am afraid		I never stray too far from the sidewalk
I lose my way		Because of you
And it's not too long before you point it out		I learned to play on the safe side so I don't get hurt
I cannot cry		Because of you
Because I know that's weakness in your eyes		I try my hardest (7) to forget everything
I'm (2) to fake		Because of you
A smile, a laugh everyday of my life		I don't know how to let (8) else in
My heart can't (3)	break	Because of you
When it wasn't even whole to start with		I'm (9) of my (10) because it's
Because of you		empty
I never stray too far from the sidewalk		Because of you
Because of you		I am afraid
I learned to play on the safe side so I don't get hurt		Because of you
Because of you		Because of you
