Fear of the dark

I am a man who walks alone		Fear of the dark	
And when I'm walking a dark road		I have a phobia that someone's (4) there	
At night or (1)	through the park	Fear of the dark	
When the light begins to change		Fear of the dark	
I sometimes feel a little strange		Fear of the dark	
A little anxious when it's dark		Fear of the dark	
Fear of the dark		Fear of the dark	
Fear of the dark		Fear of the dark	
I have constant fear that something's always near		Fear of the dark	
Fear of the dark		Fear of the dark	
Fear of the dark		Watching horror films the night before	
I have a phobia (2) someone's always there		Debating witches and folklore	
Have you run your fingers down the wall		The unknown troubles on your mind	
And have you felt your neck skin crawl		Maybe your mind is playing tricks	
When you're searching for the light?		You sense and suddenly eyes fix	
Sometimes when you're scared to take a look		On dancing shadows from behind	
At the corner of the room		Fear of the dark	
You've sensed that something's watching you		Fear of the dark	
Fear of the dark		I have constant fear that something's always near	
Fear of the dark		Fear of the dark	
I have constant fear that something's (3) near		Fear of the dark	
Fear of the dark		I have a phobia that someone's always there.	
Fear of the dark		Fear of the dark	
I have a phobia that someone's alway	ys there	Fear of the dark	
Have you ever been alone at night		I have (5)	fear that something's always
Thought you heard footsteps behind		near	
And turned around and no-one's there?		Fear of the dark	
And as you quicken up your pace		Fear of the dark	
You find it hard to look again		I (6) a (7)	that someone's always
Because you're sure there's someone there		there	
Fear of the dark		When I'm walking a dark road	
Fear of the dark		I am a man who (8) alone	
I have constant fear that something's	always near
