

'Cause I got three little words

Fill in the gaps

(Na na na na na)	That I've always (5) dying to tell you
(Na na na na na)	But I see you
He takes your hand	With him
I die a little	Slow dancing
I watch your eyes	Tearing me apart 'cause you don't see
And I'm in riddles	Whenever you
Why can't you look at me like that?	Kiss him
(Na na na na na)	I'm breaking
When you walk by	(Oh) how I wish that was me
I try to say it	With my (6) on (7) waist
But then I freeze	While we dance in the moonlight
And (1) do it	I wish it was me
My tongue gets tied	That you call in your room
The words get trapped	'Cause you wanna say goodnight
I hear the beat of my heart	'Cause I see you
Getting (2) (3) I'm near	With him
you	Slow dancing
But I see you	Tearing me apart 'cause you don't see
With him	But I see you
Slow dancing	With him
Tearing me apart 'cause you don't see	Slow dancing
Whenever you	Tearing me apart
Kiss him	'Cause you don't see
I'm breaking	Whenever you
(Oh) how I (4) that was me	Kiss him
(Na na na na na)	I'm breaking
(Na na na na na)	(Oh) how I wish
He looks at you	(Oh) how I wish
The way that I would	(Oh) how I wish that was me
Does all the things	(Oh) how I wish that was me
I know that I could	
If only time could just turn back
