

Fill in the gaps

Sometimes I		(Oh) I refuse to
I just (1)	to close my eyes	Sit around and wait
And act like everyone's alright		For someone else
When I know they're not		To do what God has (6) me to do myself
This world needs God		(Oh) I could choose
But it's easier to stand and watch		Not to move
I could say a prayer and just move on		But I refuse
Like nothing's wrong		To stand and (7) the (8) and lost
But I refuse		Cry out for help
'Cause I don't want	to live like I don't care	I refuse to turn my back
I don't want to say	another empty prayer	And try and act (9) all is well
(Oh) I refuse to		I refuse to stay unchanged
Sit (2)	and (3) for someone else	To (10) another day, to die to myself
To do what God has called me to do myself		I refuse to make one more excuse
(Oh) I could choose		'Cause I don't want to live like I don't care
Not to move		I don't want to say another empty prayer
But I refuse		(Oh) I refuse to
I can hear the least of these		Sit around and wait for someone else
Crying out so desperately		To do what God has called me to do myself
And I know we are the hands and feet		(Oh) I could choose
(Of) You, (Oh) God		Not to move
So, if You say move		But I refuse
It's time for me to follow through		I refuse
And do what I was made to do		I refuse
Show them who You are		
'Cause I don't want to live (4) I don't care		
I don't (5) to say another empty prayer
