

Fill in the gaps

Washed By The Water by Needtobreathe

Daddy was a preacher	Turn around and crucify me
She was his wife	I won't never (13) let you down
Just tryin' to make the world a little better	I won't fall, I won't fall
You know, shine a light	I won't (14) as (15) as you're
People started talking	(16) me
Just to hear their own voice	Even when the rain falls
Those (1) tried to accuse my father	Even when the (17) starts rising
Saying he'd made the wrong choice	Even when the storm comes
Though it might be painful	I am washed by the water
You know that time will always tell	Even (18) the rain falls
Those (2) have (3) since gone	Even (19) the flood starts rising
My father never failed	Even when the storm comes
Even when the (4) falls	I am (20) by the water
Even (5) the (6) starts rising	Even (21) the (22) falls
Even when the storm comes	Even when the flood starts rising
I am washed by the water	Even when the storm comes
Even when the rain falls	I am (23) by the water
Even (7) the flood (8) rising	Even when the rain falls
Even (9) the storm comes	Even when the (24) starts rising
I am (10) by the water	Even when the storm comes
Even when the earth (11) under my feet	I am washed by the water
Even (12) the ones I love
