I was dumb I was wrong

Fill in the gaps

About You Now by Miranda Cosgrove

Maybe I'm (1) you decide	I've let you down
Should've been strong, yeah I lied	But I know how I (5) about you now
Nobody gets me like you	Not a day passed me by
Couldn't keep hold of you then	Not a day passed me by
How could I know what you meant?	When I don't think about you
There was no friend to compare to	And no moving on
There's a mountain between us	'Cause I know you're the one
But there's one thing I'm (2) of	And I can't be without you
That I know how I feel about you	Can we bring yesterday back around?
Can we bring yesterday back around?	'Cause I know how I feel about you now
Cause I know how I feel about you now	I was (6) I was wrong
was dumb I was wrong	I've let you (7) (I've let you down)
ve let you down	But I know how I (8) about you now
But I know how I feel about you now	Can we bring yesterday back around?
Ill bet it takes one more chance	'Cause I know how I feel (9) you now
Oon't let our next kiss be our last	I was dumb I was wrong
m outta my mind just to show you	I've let you down (I've let you down)
(3) everything changes	But I know how I feel (10) you now
don't care (4) it takes us	But I know how I feel about you now
Cause I know how I feel about you	Yeah, I know how I feel about you now
Can we bring yesterday back around?	
Cause I know how I feel about you now
