The Boy Does Nothing by Alesha Dixon

	Does he (10) up? No, he never cleans up
I got a man with two left feet	Does he brush up? Never brushed up
And when he dances down to the beat	He does nothing, the boy (11) nothing
I really think that he should know	Does he wash up? (12) wash up
That his rhythms go, go, go	Does he clean up? No, he never cleans up
I got a man with two left feet	Does he brush up? (13) (14)
And (1) he dances down to the beat	up
I really (2) (3) he (4)	He does nothing, the boy does nothing
know	Work it out now
That his rhythms go, go, go	Work it, work it out now
Does he wash up? Never wash up	Do the mambo
Does he clean up? No, he never cleans up	Shake it all around now
Does he brush up? Never brushed up	Everybody on the floor
He does nothing, the boy does nothing	Let me see you clap your hands
Does he wash up? Never wash up	I wanna see you work
Does he clean up? No, he never cleans up	I wanna see you move your body and turn
Does he brush up? Never brushed up	I wanna see you shake your hips and learn
He does nothing, the boy does nothing	I wanna see you work it, work it, (15) it out now
Hey boy, how you been?	hey!
I got a thousand lines, where do I begin?	I wanna see you work
And I, I been here, been there traveling	I wanna see you move your (16) and turn
I saw you at the corner	I wanna see you (17) your hips and learn
My vibe kicked in and	I wanna see you work it, work it, work it out now
Two fields	Does he wash up? Never wash up
I clock you	Does he (18) up? No, he never cleans up
Wearing (5) jeans	Does he (19) up? Never (20)
A real nice suit	up
He was smiling like you	He does nothing, the boy (21) nothing
Was just seventeen	Does he wash up? Never (22) up
I (6) him for a dance	Does he clean up? No, he never cleans up
He said "Yes, please"	Does he (23) up? (24)
Take a sip of dancing juice	(25) up
Everybody's (7) you	He does nothing, the boy does nothing
Through the left and to the right	And if the man can't dance
Everybody hit the rhythm	He gets no (26) chance
It's on tonight	And if the man can't dance
I'm gonna (8) the beat within my soul	He gets no (27) chance
I (9) a man to take control	And if the man can't dance
Let the melody blow you all away	He gets no second chance
Does he wash up? Never wash up
