

## Fill in the gaps

white lips, pale face	The worst things in life come free to us
Breathing in snowflakes	'Cause we're (10) (11) the upper
Burnt lungs, (1) taste	hand
Light's gone, day's end	And go mad for a couple grams
Struggling to pay rent	And she don't want to go outside tonight
Long nights, (2) men	And in a pipe she flies to the Motherland
And they say	Or sells love to another man
She's in the class A team	It's too cold outside
Stuck in her daydream	For angels to fly
Been this way since 18	An angel (12) die
But (3) her (4) seems	Covered in white
Slowly sinking, wasting	Closed eye
Crumbling like pastries	And hoping for a better life
And they scream	This time
The worst things in life come free to us	We'll fade out tonight
'Cause we're just	Straight down the line
Under the upper hand	And (13) say
And go mad for a couple grams	She's in the (14) A team
And she don't (5) to go (6)	_ Stuck in her daydream
tonight	Been (15) way since 18
And in a pipe she flies to the Motherland	But lately her face seems
Or sells love to another man	Slowly sinking, wasting
It's too cold outside	Crumbling like pastries
For angels to fly	They scream
Angels to fly	The worst (16) in (17) come
Ripped gloves, raincoat	(18) to us
Tried to (7) and stay afloat	And we're all under the (19) hand
Dry house, wet clothes	Go mad for a couple grams
Loose change, (8) notes	And we don't (20) to go (21)
Weary-eyed, dry throat	tonight
Call girl, no phone	And in a pipe we fly to the Motherland
And they say	Or (22) (23) to another man
She's in the class A team	It's too cold outside
Stuck in her daydream	For angels to fly
Been this way since 18	Angels to fly
But (9) her face seems	Fly, fly
Slowly sinking, wasting	For angels to fly
Crumbling like pastries	To fly, to fly
And they scream	Angels to die
