And I relied on my best friend	And if it's (7) to be my destiny
She would advice me	I don't want to wait (8) it comes to me
She (1) out her code	I will work so hard
And then put on her jacket	My (9) will hurt
Now I'm scared because she's really gone	I will pay my sins
Oh	If so in hell
Oh	Serenade
And I relied on my best friend	Serenade me
Do you remember?	They say I'm dry
She was so young	But I'm just sick
And now that we're burning	Serenade me
They're (2) because she's (3)	They say I'm cold
gone	But I'm just sick
Oh	Serenade me
Oh	And if it's going to be my destiny
And if it's going to be my destiny	I don't want to wait till it comes to me
I don't want to (4) till it comes to me	I will work so hard
I will work so hard	My hands will hurt
My hands will hurt	I will pay my sins
I will pay my sins	If so in hell
If so in hell	Serenade
Serenade	Serenade me
Serenade me	They say I'm dry
They say I'm dry	But I'm just sick
But I'm just sick	Serenade me
Serenade me	They say I'm cold
They say I'm cold	But I'm just sick
But I'm just sick	Serenade me
Serenade me	Serenade me
And I relied on my best friend	They say I'm dry
She would advice me	But I'm (10) sick
She broke out her code	Serenade me
And (5) put on her jacket	
Now they're scared because she's (6) gor	ne
