	The story's over now, the end
I'm (1) awake	I wish I knew then
I'm wide awake	What I know now
I'm wide awake	Wouldn't dive in
Yeah, I was in the dark	Wouldn't bow down
I was falling hard	Gravity hurts
With an open heart	You made it so sweet
I'm wide awake	Till I woke up
How did I read the stars so wrong?	On, on the concrete
I'm wide awake	Falling from cloud 9
And now it's clear to me	(It was out of the blue, I'm)
That (2) you see	Crashing from the high
Ain't always what it seems	I'm letting go tonight
I'm (3) awake	(Yeah, I letting you go, I'm)
Yeah, I was dreaming for so long	I'm (7) from cloud 9
I wish I knew then	I'm wide awake
What I know now	Thunder rumbling
Wouldn't dive in	Castles crumbling
Wouldn't bow down	I am trying to hold on
Gravity hurts	God knows that I tried
You (4) it so sweet	Seeing the bright side
Till I woke up on	But I'm not blind anymore
On the concrete	I'm wide awake
Falling from cloud 9	I'm (8) awake
Crashing (5) the high	Yeah, I'm falling from cloud 9
I'm letting go tonight	(It was out of the blue, I'm)
Yeah, I'm falling from cloud 9	Crashing from the high
I'm wide awake	You know I'm letting go tonight
Not losing any sleep	(Yeah, I letting you go, I'm)
I picked up every piece	I'm falling from (9) 9
And landed on my feet	I'm wide awake
I'm wide awake	I'm wide awake
Need nothing to complete myself, no	I'm wide awake
I'm (6) awake	I'm (10) awake
Yeah, I am born again	I'm wide awake
Out of the lion's den	
I don't have to pretend	
And it's too late
