

Fill in the gaps

It's (1) been (2) me myself and	So can we say
I thought relationships	I do, I do, I do, do do do do do do
Were nothing but a waste of time	(Oh) baby
I never wanted to be anybody's other half	I do, I do, I do, do do do do do do
I was happy (3) that our love wouldn't last	'Cause every time before it's been
That was the only way I knew till I met you	Like maybe yes and maybe no
You make me wanna say I do	I won't live without it, I won't let it go
I do, I do, do do do do do do	(Wooh) can I get myself into
Yeah, I do, I do	You make me wanna say
I do do do do do do do	Meet my family, how is your family
'Cause every time before it's been	(Oh) can we be a family?
Like (4) yes and maybe no	And when I'm many years old
I could live without it	And sitting next to you
I (5) let it go	And we'll remember when we said
(Oh) what did I get myself into	I do, I do, I do, do do do do do do
You make me wanna say I do	(Oh) baby
I do, I do, I do, I do	I do, I do, I do, do do do do do do
Tell me is it only me	'Cause every time before it's been
Do you feel the same?	Like (8) yes and (9) no
You know me well enough to know	No, I won't live without it, I won't let us go
That I'm not playing games	Just (10) at what we got ourselves into
I promise I won't turn around	You make me wanna say I do
And I won't let you down	l do, l do, l do, l do
You can trust I (6) (7) like I feel	it Love you
now	
Baby there's nothing, there's nothing	
We can't get through
