

## Fill in the gaps

It's (1) been about me myself and I		elf and I	So can we say
I thought relationships			I do, I do, I do, do do do do do do
Were nothing but a waste of time			(Oh) baby
I never wanted to be anybody's other half			I do, I do, I do, do do do do do do
I was (2)	saying (3)	our love wouldn't	'Cause every time before it's been
last			Like maybe yes and maybe no
That was the only way I knew till I met you			I won't live (16) it, I won't let it go
You make me (4) say I do			(Wooh) can I get myself into
I do, I do, do do do do do do			You make me wanna say
Yeah, I do, I do			Meet my family, how is your family
I do do do do do do do			(Oh) can we be a family?
'Cause every (5) (6) it's been		it's been	And (17) I'm many years old
Like maybe yes and (7) no			And sitting (18) to you
I could (8) without it			And we'll remember when we said
I could let it go			I do, I do, I do, do do do do do do
(Oh) what did I get (9) into			(Oh) baby
You (10) me (11) say I do			I do, I do, I do, do do do do do do
I do, I do, I do, I do			'Cause every time before it's been
Tell me is it only me			Like maybe yes and maybe no
Do you feel the same?			No, I won't (19) without it, I won't let us go
You (12) me	e well (13)	to know	Just (20) at what we go
That I'm not playing gar	mes		(21) into
I (14) I won't turn around			You (22) me wanna say I do
And I won't let you down			l do, l do, l do, l do
You can trust I never felt (15) I feel it now			Love you
Baby there's nothing, th	nere's nothing		
We can't get through
