It kills me not to know this	Because I don't know
But I've all but just forgotten	That's when she said I don't hate you boy
What the color of her eyes were	I just want to save you
And her (1) or how she got them	While there's (14) (15)
As the telling (2) of age rain down	left to save
A single tear is dropping	That's (16) I told her I love you girl
Through the valleys of an aging face	But I'm not the answer
That this world has forgotten	For the questions (17) you still have
There is no reconciliation	(Oooh oooh)
That will put me in my place	One thousand miles away
And there is no time like the present	There's nothing left to say
To drink these draining seconds	But so (18) left (19) I don't know
But seldom do (3) words ring true	We never had a choice
When I'm constantly (4) you	This world is too (20) noise
Like walls that we (5) can't break through	It takes me under
Until we disappear	It (21) me under once again
So tell me now	I don't hate you
If this ain't love then how do we get out?	I don't hate you, no
Because I don't know	So tell me now
That's when she said I don't hate you boy	If (22) ain't love then how do we get out?
I just want to (6) you	Because I don't know
While there's still (7) left to save	That's when she said I don't hate you boy
That's when I (8) her I love you girl	I just want to save you
But I'm not the answer	While there's (23) something left to save
For the questions that you still have	That's (24) I told her I love you girl
(Oooh oooh)	But I'm not the answer
But the day pressed on like crushing weights	For the questions that you still have
For no man does it (9) wait	(Oooh oooh)
Like memories of dying days	I don't hate you
That deafen us like hurricanes	I don't hate you
Bathed in flames we held the brand	(Oooh oooh)
Uncurled the (10) in your hand	I don't hate you
Pressed into the flesh like sand	I don't (25) you, no
Now do you understand?	(Oooh oooh)
So (11) me now	
If this ain't (12) how do we get out?
