Break through the undertow	Breathe
Your (1) I can't seem to find	The air we give
Pollution burns my tongue	The life we live
Cough words I can't speak so I	Our pulses racing distances
Stop my struggling	So wet my tongue
Then I float to the surface	Break into song
Fill my (2) with air	Through (6) of competition
Then let it out	So please believe (7) eyes
I give it all	A sacrifice
Now there's a reason why I sing	Is not what we had in our minds
So give it all	I'm coming home tonight
And it's these (3) (4) belong to	Home tonight
me	We give it all
Rock bottoms where we live	Now there's a reason why I sing
And still we dig these trenches	So (8) it all
To bury ourselves in them	And it's these reasons that belong to me
Backs breaking under tension	Today I (9) all myself to this I'n
For far too long these voices	(10) for my dying wish
Muffled by distances	I give it all
It's time to come to our senses	Now there's a reason
Up from the dirt	There's a reason
We give it all	To give it all
Now there's a (5) why I sing	
So give it all	
And it's these reasons that belong to me	

- 1. hands
- 2. lungs
- 3. reasons
- 4. that
