

Fill in the gaps

Break (1) the undertow	Breatne
Your hands I can't seem to find	The air we give
Pollution burns my tongue	The life we live
Cough words I can't speak so I	Our (9) racing distances
Stop my struggling	So wet my tongue
Then I (2) to the surface	Break into song
Fill my lungs with air	Through seas of competition
Then let it out	So please believe your eyes
I (3) it all	A sacrifice
Now there's a reason why I sing	Is not what we had in our minds
So give it all	I'm coming home tonight
And it's these reasons (4) (5) to	Home tonight
me	We give it all
Rock bottoms where we live	Now there's a reason why I sing
And still we dig (6) trenches	So give it all
To bury ourselves in them	And it's these reasons that belong to me
Backs (7) under tension	Today I offer all (10) to this I'm living for my
For far too long these voices	dying wish
Muffled by distances	I give it all
It's time to come to our senses	Now there's a reason
Up from the dirt	There's a reason
We give it all	To give it all
Now there's a reason why I sing	
So give it all	
And it's these reasons (8) belong to me	

- 1. through
- 2. float
- 3. give
- 4. that
- 5. belong
- 6. these
- 7. breaking
- 8. that
- 9. pulses
