

Fill in the gaps

My gift is my song	So (6) me for forgetting
And this one's for you	But these things I do
And you can tell everybody	You see I've forgotten
That (1) is your song	If they're green or they're blue
It (2) simple	Anyway the thing is what I really mean
But now that it's done	Yours are the sweetest (7) I've ever seen
Hope you don't mind	And you can tell everybody
I hope you don't mind	This is your song
That I put down in words	It may be quite simple
How wonderful life is now you're in the world	But now that it's done
Sat on the roof	I hope you don't mind
And I (4) off the moss	I hope you don't mind (8) I put down in words
Well some of the verses well	How wonderful life is now you're in the world
They got me quite cross	I hope you don't mind
But the sun's been kind	I hope you don't mind (9) I put down in words
While I wrote this song	How (10) life is now you're in the
It's for (5) like you that	world
Keep it turned on
