

## Fill in the gaps

Who's to say
What's impossible, well they forgot
This world keeps spinning
And with each new day
I can feel the change in everything
And as the (1) breaks
(2) fade
But in some ways they remain the same
And as my mind begins to spread its wings
There's no stopping curiosity
I wanna turn the whole thing upside down
I'll find the things they say just can't be found
I'll share this (3) I find with everyone
We'll (4) and dance to Mother Nature's songs
I don't want this feeling to go away
Who's to say
I can't do everything
Well I can try
And as I (5) along I begin to find

Things aren't always just what they seem
I want to turn the whole thing (6) down
I'll (7) the things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's songs
This world (8) spinning and there's no
Time to waste
Well it all
Keeps spinning spinning round and round and
Upside down
Who's to say what's impossible
And can't be found
I don't want (9) feeling to go away
Please don't go away
Is this how it's supposed to be
