Gotta Go My Own Away by High School Musical 2

I gotta say what's on my mind	But at least for now
Something about us	I gotta go my own way
Doesn't seem right these days	What about us?
Life (1) getting in the way	What about everything we've (15) through?
Whenever we try somehow the plan	What (16) trust?
Is always rearranged	You know I never wanted to hurt you
It's so (2) to say	What about me?
But I (3) do what's best for me	What am I supposed to do?
You'll be okay	I gotta (17) but I'll miss you
I've got to move on, and be who I am	
I (4) don't belong here	So I've got to move on, and be who I am
I (5) you understand	(Why do you have to go)
We might find our (6) in this world someday	I just don't belong here
But at least for now	I (18) you understand (trying to understand)
1	
I gotta go my own way	We (19) find our (20) in this
Don't wanna leave it all behind	We (19) find our (20) in this (21) someday
Don't wanna leave it all behind	(21) someday
Don't wanna leave it all behind But I get my hopes up	(21) someday But at least for now (I want you to stay)
Don't wanna leave it all behind But I get my hopes up And I watch them fall (7) time	(21) someday But at least for now (I want you to stay) I gotta go my own way
Don't wanna leave it all behind But I get my hopes up And I watch them fall (7) time Another color (8) to grey	(21) someday But at least for now (I want you to stay) I gotta go my own way I've got to move on, and be who I am
Don't wanna leave it all behind But I get my hopes up And I watch them fall (7) time Another color (8) to grey And it's just too (9) to watch it all	(21) someday But at least for now (I want you to stay) I gotta go my own way I've got to move on, and be who I am (What about us?)
Don't wanna leave it all behind But I get my hopes up And I watch them fall (7) time Another color (8) to grey And it's just too (9) to watch it all Slowly fade away	(21) someday But at least for now (I want you to stay) I gotta go my own way I've got to move on, and be who I am (What about us?) I just don't (22) here
Don't wanna leave it all behind But I get my hopes up And I watch them fall (7) time Another color (8) to grey And it's just too (9) to watch it all Slowly fade away I'm leaving today	(21) someday But at least for now (I want you to stay) I gotta go my own way I've got to move on, and be who I am (What about us?) I just don't (22) here I hope you understand (trying to understand)
Don't wanna leave it all behind But I get my hopes up And I watch them fall (7) time Another color (8) to grey And it's just too (9) to watch it all Slowly fade away I'm leaving today Cause I gotta do what's (10) for me	(21) someday But at least for now (I want you to stay) I gotta go my own way I've got to move on, and be who I am (What about us?) I just don't (22) here I hope you understand (trying to understand) We (23) find our (24) in this world
